FOR IMMEDIATE RELEASE

Police identify burglar, procure warrant

Suspect Francisco Ramone Davis

Investigators with the Shreveport Police Department have identified a man believed responsible for a string of vehicle burglaries in west Shreveport back in early April.

On April 4, 2018, Shreveport Police patrol officers made several reports of vehicle burglaries in the area around Best Drive. One victim's home surveillance video captured images of the suspects. Investigators released the video to media partners but no tips were received.

In May of 2018, investigators identified the man as 21-year-old Francisco Ramone Davis of the 3800 block of Dilg League. He was identified following an incident in Caddo Parish where Davis was accused of burglarizing vehicles and attempting to run over a Caddo Parish Sheriff's Deputy. Detectives compared the video from Best Drive to Davis's photos and believed Davis was the suspect. Detectives learned that Davis is currently incarcerated in Texas on unrelated charges. A warrant was procured for Davis charging him with one count of Simple Burglary. Bond was set at \$100,000.00. More charges are pending following extradition back to Caddo Parish.
