Police seek identity of accused shoplifters

On July 22, 2018, an employee of the Verizon Store in the 6300 block of Youree Drive reported two iPhones valued at over \$1,800 stolen from the business.

The clerk advised that two men entered the store and went to the iPhone display rack. He watched one of the suspects tamper with the display and approached them. The suspect had loosened one of the iPhone display holders and had the phone in his hand. When he approached the suspect, the suspect handed him a cell phone then left the store. After the suspects left the business the clerk realized that the phone he had been handed was fake. Two iPhones were stolen during the incident

Investigators have released the video footage of the incident and are asking anyone who can identify these suspects to contact investigators at 318-673-6955. Those wishing to submit information anonymously can contact Crime Stoppers at 318-673-7373, lockemup.org, or via their app P3Tips.
