## **Police seek identity of burglary suspect**

Shreveport Police property crimes detectives are asking the public's help to identify a man believed responsible for the burglary of an apartment complex earlier this week.

On November 12, 2018, Shreveport Police patrol officers responded to a burglary of a laundry room at a west Shreveport apartment complex. Officers learned that a man entered the laundry room, turned off the lights and used an unknown object to attempt to open the change drawer of one of the washers.

Investigators with the property crimes unit launched their investigation. They were able to secure store video footage and provided photos extracted from the video to release to the public in hopes of getting this individual identified.

Investigators are asking anyone who can identify this suspect to contact them at 318-673-7300. Those wishing to remain anonymous can contact Shreveport Caddo Crime Stoppers at 318 673-7373 or via their app, P3Tips.
