Man recovering following early morning shooting

Shreveport Police are in the preliminary phases of an investigation into the early morning shooting of a Shreveport man.

On December 1, 2018, just before 1:00 a.m., Shreveport Police patrol officers responded to the 2500 block of Hollywood Avenue on reports of a shooting. They arrived to find 35-year-old Kevin Grant suffering from a single gunshot wound to the right shoulder. Grant was transported to Ochsner LSU Hospital with what was described as non-life threatening injuries.

Investigators with the Violent Crimes Unit responded to the hospital and contacted the victim who advised him that a vehicle was observed driving recklessly on the parking lot close to Pat and Jerry's night club and unknown individuals(s) in a black Tahoe fired upon the truck. The circumstances surrounding the shooting are unknown at this time but Grant was believed to have been caught in the crossfire. Investigators spoke with witnesses who gave a similar account of the events that unfolded. There were multiple people on the parking lot at the time of the shooting. Investigators are asking anyone with information relative to this incident to contact them immediately at 318-673-6955. Those wishing to submit information anonymously should contact Shreveport Caddo Crime Stoppers at 318-673-7373, www.lockemup.org, or via their app P3Tips.
