### **Man in custody following shooting**

A suspect is behind bars in connection with a late night shooting that left a local man injured in west Shreveport.

On January 2, 2019, just after 11:00 p.m., Shreveport Police patrol officers responded to the 3500 block of Judson Street relative to a shooting. Upon arrival, officers located 26-year-old Tavorreous Fleming suffering from what appeared to be several gunshot wounds. The Shreveport Fire Department transported Fleming to Ochsner LSU Health with what were described as non-life threatening injuries.

Detectives were immediately dispatched and, based on information gathered during the early stages of their investigation, believe the victim was involved in a dispute with his uncle, 41-year-old Luther Wilson Jr. During the altercation, Wilson produced a handgun and shot Fleming several times prior to fleeing the scene of the crime. Investigators subsequently procured a warrant charging Wilson with one count of Attempted Second Degree Murder. Authorities located Wilson and took him into custody this morning in Smith County, Texas.
