Shreveport detectives charge suspect in homicide

Chief Ben Raymond announces arrest in connection with a homicide that occurred in December 2018.

On December 14, 2018, just before 6:00 p.m., Shreveport Police patrol officers responded the 900 block of Babylon Street relative to a shots fired call. Arriving officers located 24-year-old Tevin Washington suffering from a gunshot wound to the head. Washington was transported to Oschner LSU Health Hospital by the Shreveport Fire Department, where he later succumbed to his injury.

Based on information gathered during their ongoing inquiry, detectives have charged 18-year-old Jonathan Rogers, of the 3500 block of Cedar Creek Drive in Shreveport, with one count of second degree murder in connection with the shooting death of Washington. Jonathan Rogers was already in jail on unrelated federal charges when investigators were able to develop him as a suspect in this homicide.
