Shreveport Police/Fire Departments to conduct Mock Crash with Booker T. Washington High School students

Multiple first responder agencies are conducting a mock crash at Booker T. Washington, 2104 Milam St, Shreveport, La. at 0930 hrs. on April 11th, 2019. The mock crash aims to send a hard-hitting reminder of the dangers and consequences of unsafe driving behaviors –such as drinking and driving, texting and driving, and not buckling up. Local law enforcement and emergency responders will work with students to demonstrate the fatal consequences of impaired driving. The mock crash uses real crashed vehicles set up on school grounds and student participants to dramatically act out roles as crash victims. The school's student body will watch the demonstration and learn how emergency responders conduct rescue efforts in real-time.

Participating in the event:

Shreveport Police Department, Shreveport Fire Department, Life Air, Caddo Parish Coroner's Office, Sudden Impact, Think First, UberGeeks Cosplays, S&A Auto, S.P.A.R, Kilpatrick's Rose-Neath Funeral Home, Majestic Tents, and Joey Rayburn
