---

## **Two injured in Monday afternoon shooting**

Two people are recovering while a suspect is sought following a late afternoon shooting in Shreveport's Highland neighborhood.

Just before 4:00 p.m. on April 22, 2019, Shreveport Police patrol officers were called to a shooting in the 300 block of Wilkinson Street. As officers arrived at the location it was learned a 17 year old male victim was suffering gunshot injury after being struck by a projectile. The teen was taken via ambulance to Ochsner LSU Hospital for treatment of non-life-threatening injuries. A second shooting victim arrived at the same hospital shortly after 4:15 p.m., by private vehicle. The man, identified as 22 year old Alan Gonzalez, was suffering a gunshot wound to the shoulder. Gonzalez was also treated for injuries considered non- life threatening.

Police located a weapon on scene of the crime and later a vehicle believed to have been used in the shooting. The suspect vehicle was located near Ochsner LSU Hospital. While authorities have not determined the extent of the involvement of the shooting victims, information has been provided on a possible suspect. At current, Shreveport Police detectives are combing through evidence gathered thus far and are asking those persons with information about the crime to contact Crimestoppers at (318) 673-7373 or visit P3tips.com to leave a tip online.
