## **Crimestoppers tip leads to arrest of wanted suspect in Texas**

Suspect Quanterious Anthony Johnson

A Shreveport man wanted in connection with a double kidnapping is now in police custody following assistance from a Crimestoppers tip.

Just before 4:00 p.m. on May 20, 2019, agents with the United States Marshal's Office Fugitive Task Force were able to locate and apprehend 23 year old Quanterious Anthony Johnson of Shreveport, for his alleged role in the aggravated kidnapping of two people back in February. Johnson is accused of the February 2019, crime in which two Shreveport residents who offered him a ride, were forced at gunpoint to drive to another location and were forced to disrobe before one of the victims was shot at while fleeing.

Johnson was taken into custody in Arlington, Texas at the Super 6 Motel located in the 1600 block of 1600 block of North Watson Road. Agents received information obtained from a Crimestoppers tip and immediately began their search efforts to locate Johnson. Johnson was apprehended while jumping from a balcony at the motel. Special thanks to those agencies who assisted in the capture.
