An Ordinance to amend and re-enact Section 50-167 of the Code of Ordinance of the City of Shreveport and to otherwise provide with respect thereto.

Councilman Bowman asked those in attendance if there was anyone present to speak in favor of or in opposition to adding the ordinance to the agenda.

Councilman Bowman: For the record this has nothing to do with my mother this is something -- I have spoken to several people myself, in the district, that I represent and other districts also. There is a part of the community who do not want this repealed. This is not Jerry Bowman's deal, other people have called me and I think other council members have gotten the same, not just me who do not want to repeal this. So, that's where that comes from.

*James Carstensen, Ernest Small, Lee Harville, Lemar Holden, Craig Lee, Bryon Wilcott, Freddy Ishola, Lester Smith, Rudolph Glass Jr., Chris Lyon, Doc Montgomery, Fred Johnson, Barbara Smith-Iverson, Rachel Willis-Brown, Ebony Mitchell, Marvin Muhammad and Anthony Childs' sister and cousin: Spoke in opposition to adding this ordinance to the agenda.*

*Michael Williams and Annie Maria Arpino spoke in favor to adding this ordinance to the agenda.*

Councilman Boucher asked, has the administration or the Police Chief thought about - any officer involved shooting- letting the state police come in and do the investigation instead of Shreveport Police investigating their own people, and if that would not be a good move for the city to look into. Mayor Perkins said, they are open to reform in various ways and they are looking at the legal constraints. City Attorney Creal said there are other jurisdictions that have other police agencies investigating their own agencies and that is something that can be

requested, but the other investigating agencies have to be willing to take on the investigation.
