Community Bond Meetings Scheduled

August 15, 2019

Mayor Adrian Perkins will hold community meetings throughout the city to educate the public on the details of the bond proposal approved by the City Council earlier this week.

The Council approved a \$186 million bond proposal to be placed on the November 16th ballot this fall, giving voters the opportunity to decide the continuation.

“This bond will address the immediate needs we have with infrastructure, roads, public safety, transportation and parks,” said Mayor Perkins. “This bond proposal accomplishes much, but it is just as important to note what it does not do. It does not raise taxes. It is a continuation of a portion of 6.2 mills dedicated to expiring bonds.”

The Council considered a proposal that was recommended by the Citizens’ Bond Committee, which included 16 volunteers of whom the Mayor and each City Councilperson appointed two members.

Community meetings will be held from 6:00 p.m. to 7:30 p.m. at the following park recreation centers and local church on the respective dates:

Thursday, Aug. 22	Southern Hills	1002 W. Bert Kouns
Thursday, Aug. 29	Broadmoor Presbyterian Church	1915 Grover Place
Thursday, Sept. 5	Mamie Hicks	200 Mayfair St.
Thursday, Sept. 12	Valencia	1800 Viking Dr.
