**MAYOR HOLDS PRESS CONFERENCE REGARDING  
POLICE CHIEF**

Mayor Perkins will make an announcement regarding the position of Police Chief on Monday.

Public safety tops the Mayor's list of priorities. "Selecting the next Police Chief is a matter I take seriously. This decision will impact the City of Shreveport for years to come," said Mayor Perkins. "There has been a lot of speculation, but I remain focused on making the right decision for Shreveport residents."

The press conference will be held at 2 p.m. Monday, September 23, on the second floor of Government Plaza in the Mayor's large conference room.
