Police seek to identify pair of thieves

Unidentified Suspects

Shreveport Police property crimes detectives are seeking to identify a pair of thieves who broke into a local self-storage unit last month.

Back on September 22, 2019, Shreveport Police patrol officers responded to the 2900 block of Bert Kouns industrial Loop relative to the burglary of a self-storage unit. Video surveillance of the crime captured two men entering the storage unit and removing items. The men then drive away from the scene of the crime in four door unknown model vehicle. Police are hopeful that the release of the video will aid in the identification and apprehension of those responsible for the crime. Crimestoppers is offering a reward for information leading to the arrest of the suspects. Visit P3tips.com to leave a tip online or call (318) 673-7373.
