Renovated Querbes Tennis Center Set For Ribbon Cutting

The Querbes Tennis Center will host a ribbon-cutting ceremony from 5 -7 p.m. Thursday, February 27, 2020. The Tennis Center is located at 3507 Beverly Place in Shreveport.

The nearly year-long renovation at Querbes was made possible with \$750,000 in funding from a 2011 bond as well as \$250,000 in private donations from the Querbes Park Foundation, United States Tennis Association (USTA), Northwest Louisiana Community Tennis Association (NWLACTA), Louisiana Tennis Association (LTA), and Caddo Parish.

The project scope consisted of ADA renovations to the existing Tennis Center Pro Shop, total clay court refurbishment, new post-tension hard court foundations and resurfacing, new fencing, new lighting, all new windscreens, and new nets and posts for each court. City of Shreveport Architect Russell DeLancy designed the project and Wynne Construction, LLC was the contractor.
