### Search Warrant yields drugs and firearms

The Caddo-Shreveport Narcotics Unit has jailed a man accused of drug distribution and firearms related offenses in connection with a week's long investigation in west Shreveport.

Caddo Parish Sheriff Steve Prator and Shreveport Police Chief Ben Raymond are pleased to announce that on March 26, 2020, agents assigned to the Caddo-Shreveport Narcotics Unit seized 921 grams of methamphetamine, 79 grams of marijuana, 11 grams of crack cocaine, and 3 grams of powder cocaine, with a total DEA value of \$94,190.00. In addition, agents seized two handguns and \$675.00 in cash.

This seizure and arrest was the culmination of an ongoing investigation into claims that 29-year-old Landry Ray Williams Jr. was engaging in the illegal distribution of narcotics from his residence at 2730 Malcolm Street. Agents used information gathered during their investigation to procure a search warrant for the home, which they executed on March 26.

Williams was taken into custody and booked into the Caddo Parish Detention Center on one count of Manufacturing and Distribution of Schedule I CDS, three counts of Manufacturing and Distribution of a Schedule II CDS, Possession of Firearm with CDS, and Possession of a Firearm by a Convicted Felon.
