On May 4, 2020, just after 1:25 a.m., Shreveport Police Patrol Officers responded to the 2400 block of Portland Avenue in reference to a shooting. Arriving officers located the female victim suffering from a single non-life threatening gunshot wound to the leg. She was transported to Ochsner LSU Health Hospital for treatment.

Violent Crimes investigators were summoned to the scene. Based on a preliminary assessment of the on scene evidence and statements taken from the victim and witnesses, detectives were able to identify 46-year-old Danielle Taylor, of the 2400 block of Portland Avenue, as the person they believed responsible for the shooting. According to detectives, Taylor and the victim were romantically involved and Taylor called the victim to the 2400 block of Portland Avenue to meet and talk. When the victim arrived, Taylor ambushed her and shot her in the leg. No motive has been established and the investigation is ongoing.

Taylor was booked into the Shreveport City Jail on one count of Aggravated Battery.
