FOR IMMEDIATE RELEASE

Police investigate double murder in Mooretown neighborhood

Shreveport Police are investigating an early morning shooting that claimed the life of two local men.

On May 31, 2020 at 1:00 a.m., Shreveport Police patrol officers responded to reports of a shooting in the 6200 block of Rufus Drive. On arrival, officers located a man suffering from life-threatening gunshot injuries to the upper body. He was transported to Ocshners LSU Health Shreveport where he succumbed to his injuries. They learned that a second man had been shot as well but was transported from the scene by private vehicle to Willis Knighton North Hospital. He also succumbed to his injuries.

Members of the Violent Crimes and Crime Scene Units responded to the scene and launched their investigation. Detectives learned that there was a large gathering at a residence in the block. At some point during the gathering, a dispute ensued and shots were fired, leading to both men being shot. Investigators interviewed witnesses and collected evidence from the crime scene. With a gathering that size, investigators believe that there may be witnesses to the murders that have not come forward. We are asking those with information to reach out to Caddo Parish Crime Stoppers anonymously at 318-673-7373, Lockemup.org, or via their app P3Tips.

Caddo Crime Stoppers is offering a \$4,000 reward for information leading to the identification and arrest of those responsible for these murders. REMEMBER, Crime Stoppers only wants your information, not your name.
