### **Arrest made in weekend stabbing**

**Shannon Anderson**

Investigators with the Shreveport Police Department's Violent Crimes Unit have made an arrest in the stabbing of a man in west Shreveport early Sunday morning

On June 14, 2020, at 3:00 a.m., Shreveport Police were dispatched to a stabbing in the 5800 block of Hearne Avenue. They arrived to find one male suffering from a stab wound to the abdomen. The victim was transported to Ochsners LSU Health Hospital with serious injuries. The victim is now expected to make a full recovery.

Violent Crimes Detectives launched an investigation into the matter and through the course of their investigation learned that the victim and 23-year-old Shannon Anderson, of Bossier City, engaged in an argument over a firearm that was missing from the victim's car. The verbal argument escalated and Anderson allegedly battered the victim, produced a knife, and then stabbed the victim in the abdomen, causing serious injury.

Anderson surrendered himself to investigators this afternoon and following interviews, was booked into the Shreveport City Jail on (1) count of Aggravated Battery and a parole violation out of Red River Parish. He was booked into the Shreveport City Jail on his charges.
