PRESS RELEASE

October 8, 2013

T-BONE Sweep set for Wednesday in District B

Inspectors for the Department of Property Standards will conduct a sweep tomorrow, Oct. 9, in Council District B as part of a strategic, ongoing effort to remove blight throughout the city.

Representatives from the police department, public works and animal control will assist in the sweep, which begins at 8 a.m. in the parking lot of the United Methodist Church, 520 Herndon St. The sweep will encompass an area bounded by Kings Highway to I-20 and I-49 to C.E. Galloway Blvd.

Trash bins will be available for residents to discard tires, bulky trash items and debris. If citizens are unable to bring tires to the site, they may arrange a later pick up by calling 673-6204 or 455-6065. The trash bins are for residential use only.

The targeted sweeps have resulted in several citations. For example, last month's sweep in District C produced tickets for 42 inoperable vehicles; 15 parking citations; 14 weed abatements; and 10 care of premises.
