Police investigate weekend homicide

Investigators with the Shreveport Police Department's Homicide Unit are investigating the Saturday night shooting death of a 17-year-old juvenile.

On July 25, 2020 just before 8:45 p.m., Shreveport Police Patrol officers responded to the 6100 block of Henderson Avenue in reference to reports of shots being fired. Minutes later, 17-year-old Tredarious Shivers arrived at Ochners LSU Health Shreveport by private auto suffering from life-threatening gunshot injuries to his upper body. He was pronounced deceased shortly after his arrival.

Investigators with the Crime Scene Unit and Violent Crimes Unit responded to the scene and launched their investigation. The preliminary information received was that the victim backed into the driveway of a vacant residence and individual(s) began firing at him from a field across the street. Detectives spoke with several witnesses in the area and Crime Scene Investigators collected evidence.

Shreveport Police believe that there are people that know who killed Tredarious Shivers. We would like to hear from them. We are asking those with information to call us at 318-673-7300 #3, or 318-673-6955. For those who would like to remain anonymous, please contact Shreveport Caddo Crime Stoppers at 318-673-7373.
