FOR IMMEDIATE RELEASE

Afternoon shooting leaves man critically injured

Shreveport Police are asking for information relative to a shooting incident that took place in north Shreveport late this afternoon.

On August 4, 2020, just after 5:15 p.m., Shreveport Police patrol officers responded to a shooting in the 2000 block of David Raines Boulevard at Shreveport Fire Station #6. Arriving officers learned that a 30-year-old man was brought to the fire station suffering life-threatening gunshot injuries to his upper body. Shreveport EMS transported the man to Ochsner LSU Health where he was immediately taken to surgery. He remains in critical condition.

Patrol officers were able to locate what they believe to be the crime scene at the corner of Linear Street and Willie Mays Street. Investigators with the Violent Crimes and Crime Scene Units were summoned to the scene. CSIU collected shell casings and other evidence while detectives canvassed the neighborhood searching for witnesses. Investigators believe that a white sedan, possibly a Chrysler may have been involved in the incident. They are asking those with information to contact them at 318-673-7300 or 318-673-6955. Those wishing to remain anonymous are asked to call Caddo Shreveport Crime Stoppers at 318-673-7373 or download their app, P3Tips. Tips submitted through the Crime Stoppers network are anonymous and qualify for cash payouts if the information leads to an arrest.
