Suspect Quinterrius Brown

Investigators with the Shreveport Police Department's Homicide Unit have made one arrest and are searching for a second suspect in connection with the August 26 murder of 29-year-old Michael Coleman at a west Shreveport apartment complex.

On August 26, 2020 just before 9:30 p.m., Shreveport Police officers responded to the 700 block of West 68th Street at the Woodlawn Terrace Apartments on reports of a shooting. Arriving officers located Coleman and the Shreveport Fire Department transported him to Ochsner LSU Health Hospital where he later died.

Investigators with Crime Scene and Homicide Units responded to the scene, took photos, and seized articles of evidence from the scene. Investigators attempted to interview witnesses but were unable to locate any. Diligent detectives were able to use evidence collected from the scene and other investigative measures to identify two individuals they believe responsible for the murder. On August 30, 2020, they procured arrest warrants for 20-year-old Albert Jones Jr., of the 3400 block of Clarke Street, and 18-year-old Quinterrius Brown, of the 900 block of North Lakewood Drive, charging both with one count each of Second Degree Murder. Bond was set at \$500,000.00 each. Jones Jr. was taken into custody by SPD Homicide investigators the day the warrant issued and following interviews, he was booked into the Shreveport City jail.

Brown is still on the run. Detectives are asking the public's help to locate him. Those with information as to his whereabouts are asked to call Shreveport Police at 318-673-7300 #3 or Shreveport Caddo Crime Stoppers at 318-673-7373 or via their app, P3Tips. Crime Stoppers is an anonymous tip service that pays cash rewards for information leading to the arrest of individuals responsible for crimes.

Quinterrius Brown was arrested by Shreveport Police for Attempted First Degree Murder in April of 2020. Albert Jones Jr. has been arrested by Shreveport Police for being a Convicted Felon in Possession of a Firearm.
