FOR IMMEDIATE RELEASE

Shreveport Police Department receives funding from Louisiana Highway Safety Commission

The Shreveport Police Department recently received funding for \$118,638.00 through a grant program offered through the **Louisiana Highway Safety Commission**.

As a result of the award, the Shreveport Police Department will be allowed to conduct a variety of additional traffic safety enforcement initiatives for 2020-2021. As in previous years, the department applies for a grant offered via the LHSC for special traffic enforcement initiatives to include: DWI enforcement, seatbelt enforcement as well as saturation patrols and speeding.

While yet to be determined, these safety checkpoints can be established at various points throughout the city of Shreveport, while working in conjunction with Caddo Parish Sheriff's officials as well as Troopers from the Louisiana State Police and other law enforcement agencies.
