Ben Raymond
CHIEF OF POLICE

The Shreveport Police Department has partnered with Cannan Village Apartments and would like to formally invite you to attend the grand opening of the Shreveport Police Department Community Police Hub. The Police Hub is an extension of the Shreveport Police Department's Community Oriented Policing Division. This Community Police Hub is fully funded by a federal grant awarded from the United States Department of Justice. The grant is supported by the Community-Based Crime Reduction (**CBCR**) Program.

CBCR helps communities build trust and support law enforcement agencies that work with communities by integrating enforcement strategies into community-based crime reduction efforts and using this information to understand and target the issues. **CBCR** is a strategic approach to crime reduction that leverages community knowledge and expertise by focusing enforcement efforts on neighborhoods where crime is concentrated and/or crime "hot spots." This is one of many efforts to be discussed during the press conference that we are taking as a proactive approach to our on-going crime reduction initiatives.

The Grand Opening is Thursday, February 4th, 2021 at 1:00 p.m. The location of this event is at the Cannan Village Apartments 1915 Patzman Street. Due to Covid-19 restrictions, we ask that everyone follow protocol.
