FOR IMMEDIATE RELEASE

Male shot following home invasion

A Shreveport man was shot last night after allegedly forcing his way into a residence. On February 8, 2021, just after 11:00 p.m., Shreveport Police responded to the 6500 block of Henderson Street relative to a home invasion. Officers located an unresponsive adult male suffering from a gunshot injury to the upper body. The male was pronounced deceased at the scene. An adult female victim was also located who had sustained a gunshot injury to the leg. The female was transported to Ochsner LSU Health with a non-life-threatening injury.

Violent Crimes and Crime Scene Investigators were summoned to the scene and began their investigation. Investigators collected evidence and interviewed multiple witnesses. The preliminary investigation determined that the male, who was shot, forced his way into the residence while armed with a firearm. The suspect then fired multiple shots into the residence hitting a female in the leg. The homeowner was able to return fire in self-defense and struck the man in the upper body. At this time, no arrests have been made and the homeowner has not been charged. The deceased identity will be released at a later date.
