PRESS RELEASE

November 12, 2013

T-BONE Sweep set for Wednesday in District F

Inspectors for the Department of Property Standards will conduct a sweep tomorrow, Nov. 13, in Council District F as part of a strategic, ongoing effort to remove blight throughout the city.

Representatives from the police department, public works and animal control will assist in the sweep, which begins at 8 a.m. in the parking lot of Cedar Grove Park, 6900 St. Vincent Ave. The sweep will encompass an area bounded by Terry Bradshaw Passway (Hwy 3132) to Hollywood Avenue, and I-49 to Mansfield Road.

Trash bins will be available for residents to discard tires, bulky trash items and debris. If citizens are unable to bring tires to the site, they may arrange a later pick up by calling 673-6204 or 455-6065. The trash bins are for residential use only.
