The Clerk read the following:

AMENDMENT NO. 1 TO ORDINANCE NO. 54 of 2021 by Councilman John Nickelson AMEND THE ORDINANCE AS FOLLOWS: Delete and remove from the files the original proposed Ordinance No. 54 of 2021 and substitute the attached Amendment No. 1 to Ordinance No. 54 of 2021

EXPLANATION OF AMENDMENT: This amendment prohibits leaving a firearm in an unlocked vehicle between the hours of 10:00 p.m. and 6:00 a.m.; reduces the maximum fine from \$1000.00 to \$500.00; provides an exception for a person who reports a stolen firearm to the Shreveport Police Department within 48 hours after discovery of the theft; and changes the effective date to October 31, 2021.

Motion by Councilman Nickelson, seconded by Councilman Bowman, to adopt amendment No. 1 to Ordinance No. 54 of 2021.

Councilwoman Taylor: for the record, I believe that everybody should lock their cars regardless if you have a gun in there or not, you should lock your car as a safety measure, period. The other thing is, of the 69 that you stated, there were probably not killed by a legal gun owners of African Americans that are killed. And I'm going to say it again, until we find out where these guns are coming from and have a real partnership with supporting agencies to find out how we tracking them and how we get exposed and can get guns, because I'm a legal carrier and it's hard for me to get a bullet. But they have ammunition that kills us and kill each other and they are quick to do that, that's a serious issue there. So, I'm sensitive to the fact that I want you to lock your cars, I want you to lock your homes. I want you to put your guns where they need to be legally. But I'm even much more concerned that every day at some point, or let me say weekly that there are shootings that occur that children can't play, they can't sleep, they can't do this and I guarantee you it's not by a legal gun owner. I'm telling you that's it not. I don't have a problem with us doing it but I think education and responsibility first, is again that was discussed that we need to look at. We need to be tracking where the heck these illegal guns are coming from, seriously.
