# 2021 ANNUAL ACTION PLAN

Every year each HUD Entitlement grantee must prepare and submit to the Department of Housing and Urban Development (HUD) an Annual Action Plan that provides information on the intended use of HUD program funds to address needs identified in the Consolidated Strategy Plan (CSP). The City of Shreveport's Community Development Department is seeking public comments regarding the priority goals for our 2020 Annual Action Plan.

The CSP identifies:

- Community Needs
- Resources, and
- Priorities

The department has experienced a tremendous decrease in funding over the past ten years in the areas of Community Development Block Grant (CDBG), Home Partnership Investment Act (HOME), and Emergency Solutions Grant (ESG) funds. These funding cuts limit the number of activities we are able to fund throughout the city.
