FOR IMMEDIATE RELEASE

August 25, 2021

Shreveport residents in incentive program to get second vaccine Saturday

The City of Shreveport will issue the second dose of vaccines this Saturday to those who participated in the \$100 incentive program on August 7th.

The second dose of the Pfizer vaccines will be administered by LSU Health Shreveport and the Louisiana National Guard from 10 a.m. to noon on Saturday, August 28th, at the A.B. Palmer and David Raines Community Centers.

Participants must bring their vaccination cards with them to the same location where they received their first shots. They will receive their second \$50 check at their respective vaccination sites. Their first checks will also be distributed if they weren't picked up at Government Plaza.
