Press conference to announce 2021 National Night Out activities

Neighborhoods throughout Caddo and Bossier Parishes are once again being invited to join forces for a celebration of “National Night Out” against crime.

“We all can be part of the solution for addressing crime in our city,” said Mayor Adrian Perkins. “It will take every community organization and neighborhood group to make a difference in our plans to fight crime.”

The City of Shreveport, Shreveport Police Department and Community Renewal will be working with community organizations to get citizens registered. We are looking forward to new collaborations and fortifying partnerships for this effort.

“National Night Out” is designed to heighten crime and drug prevention awareness, generate support for our crime prevention efforts, strengthen police-community partnerships and send a clear message that neighbors are organizing and fighting back against crime!

The 2021 Shreveport Bossier Night Out Against Crime will be held on Tuesday, October 5, from 6 to 9 p.m. A press conference will be held at 4 p.m. Monday, August 30, at the Queensborough Friendship House at 2800 Darien Street.

COVID protocols have been added to the judging criteria and the City of Shreveport will review guidance and recommendations from our public health leaders.

Monday people can start registering at www.shreveportla.gov and review judging criteria.
