**UPDATE: Additional Arrest made in murder investigation**

## **Body Found in Lake Bistineau**

**Carl Grant**

Detectives with the Shreveport Police Department's Homicide division have made an additional arrest in the murder of Borris Williams. On October 14, 2021, detectives were able to locate evidence and information leading them to develop Carl Grant (5-7-1994) as an accessory to the homicide. Detectives believe that Carl Grant was aware the Williams had been murdered, failed to report the felony, and intentionally secreted evidence in an attempt to help Reginald Grant conceal the crime.

Carl Grant was charged with one count of Accessory after the Fact to Second Degree Murder and one count of Failure to Report a Felony Crime. He was booked into the city jail following interviews with investigators.

This murder investigation is a continued joint endeavor with the Bossier Parish Sheriff's Office, and we appreciate all of their assistance.
