AMENDMENT #1

RFS #22-700

Engineering Design – Improvements and Repairs to Cross Lake Dam and Spillway

Proposers on the project are hereby notified that this amendment shall be attached to and made part of the above named solicitation documents dated January 4, 2022. The following items are issued to add to, to modify, and/or clarify the solicitation documents. These items shall have full force and effect as the solicitation documents. Proposals, to be submitted on the specified date, shall conform to the additions and revisions listed herein. Failure to do so may subject the proposal to being declared as non-responsive.

It shall be the proposer's responsibility to make inquiry as to any amendments issued.

1.0 Questions and Clarifications

- 1.1 As the Prime, do we combine our 330 with the subconsultants or does each firm submit their own?

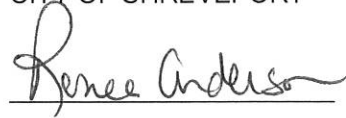

Per section 15.1.6 of the Submission Requirements, provide the qualification of both DBE/Fair Share and other sub consultants you intend to use on this project.

- 1.2 I specifically draw your attention to section 14.1.1 of the instructions entitled the "Letter of Transmittal". In the guidance it says to include the number of employees in the Shreveport Office and the percent of design work to be provided by the Shreveport Office. How do I obtain this information?

The information is provided by the firm submitting the response to the RFS.

All questions must be submitted in writing. E-mail questions to Shay Meadows at shay.meadows@shreveportla.gov. Continue to monitor BidSync and the City website www.shreveportla.gov/solicitations for any additional amendments.
