American Cancer Society honors Mayor Perkins

The American Cancer Society Louisiana Cancer Action Network awarded Mayor Adrian Perkins with its Policymaker of the Year Award.

Mayor Perkins was recognized at the 2021 Volunteer Recognition and Appreciation Luncheon today for signing the Smoke-free Shreveport ordinance.

“I am humbled to receive this award and grateful for this recognition,” said Mayor Perkins. “This decision to go smoke-free not only saves lives, but also positions us to open our hospitality doors to even more visitors.”

The smoke-free act went into effect in Shreveport on Aug. 1, 2021. Shreveport is the 30th city in the state to implement such an ordinance that protects others from second-hand smoke, according to the Louisiana Campaign for Tobacco-Free Living.
