II. BACKGROUND INFORMATION

The Emergency Solutions Grant program changes are a result of the Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act). The HEARTH Act, enacted into law on May 20, 2009, consolidates three of the separate homeless assistance programs administered by HUD under the McKinney-Vento Homeless Assistance Act into a single grant program, and revised the Emergency Shelter Grants program and renames it as the Emergency Solutions Grants (ESG) program, 24 CFR Parts 91 and 576. The change in the program's name reflects the change in the program's focus addressing the needs of homeless people in emergency or transitional shelters to assisting people to quickly regain stability in permanent housing after experiencing a housing crisis or homelessness.

III. MAKING THE CONNECTION

A. TARGET POPULATION:

Applicants applying for funding under this NOFA should target services and activities for the homeless.

<p>Homeless: For the purpose of this RFP, homeless is defined as;</p> <p>(1.) An individual who lacks a fixed, regular and adequate nighttime residence;</p> <p>(2.) An individual or family who will imminently lose their primary nighttime residence;</p> <p>(3.) Unaccompanied youth under 25 years of age, or families with children and youth who do not otherwise qualify as homeless; and</p> <p>(4) Any individual or family who is fleeing, or is attempting to flee, domestic violence, or other dangerous or life-threatening conditions that has taken place in the in the individual's or family primary nighttime residence or has made the individual or family afraid to return to their primary residence.</p>

B. TARGET AREAS:

The City will only consider funding projects which are consistent with the Consolidated Strategy Plan. City-wide homeless services and activities are eligible.

C. ELIGIBLE ACTIVITIES:

The focus of the homeless services funded through the Emergency Solutions Grants (ESG) should be to assist people to quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness. The City of Shreveport, through this NOFA, will fund the following components for program year 2022:

- (1) *Street Outreach* – funds may be used for costs of providing essential services necessary to reach out to unsheltered homeless people; connect them with emergency shelter, housing, or critical services; and provide urgent, non-facility-based care to unsheltered homeless people who are unwilling or unable to access emergency shelter, housing, or an appropriate health facility.

- (2) *Emergency Shelter* – funds may be used for costs of providing essential services to homeless families and to individuals in emergency shelters, renovating buildings to be used as emergency shelter for homeless families and individuals, and operating emergency shelters.
- (3) *Homelessness Prevention* – funds may be used to provide housing relocation and stabilization services and short and/or medium-term rental assistance necessary to prevent an individual or family from moving into an emergency shelter or another place.
- (4) *Rapid Re-housing Assistance* – funds may be used to provide housing relocation and stabilization services and short and/or medium term rental assistance as necessary to help a homeless individual or family move as quickly as possible into permanent housing and achieve stability in that housing.
- (5) *Relocation and Stabilization Services* – funds may be used to pay financial assistance to housing owners, utility companies and other third parties.

D. PERFORMANCE MEASUREMENT OBJECTIVES:

- (1) The number of persons or households prevented from becoming homeless;
- (2) The number of persons or households assisted from emergency shelter/streets into permanent housing;
- (3) The number of unsheltered persons or households provided with essential services;
- (4) The number of persons or households provided housing relocation and stabilization services;
or
- (5) The number of persons or households covered by the HMIS

IV. HOMELESS MANAGEMENT INFORMATION SYSTEM

Congress has directed HUD to improve the collection of data on the extent of homelessness locally and nationally. Communities must collect an array of data including an unduplicated count of homeless persons, analyze their patterns of the use of the McKinney-Vento and other assistance, including information on how they enter and exit the homelessness assistance system and assess the effectiveness of that assistance. Through the Federal Register Notice, the Emergency Solutions Grants Program and Community Development Block Grants were made a part of this mandate. Therefore, all proposed projects/organizations must provide written certification of their participation in an existing HMIS. You can contact your local Continuum of Care at (318) 670-4591.

V. INSURANCE REQUIREMENTS

Applicants must provide proof of insurance available upon notification of funding. Coverage must be in full force and effect at all times. Such insurance at a minimum must include the following coverage and limits of liability:

A. Commercial General Liability	
Combined Single Limit	\$1,000,000
Per Occurrence	\$1,000,000
C. Commercial Auto Liability Insurance	\$ 500,000
D. Worker's Compensation Insurance	\$1,000,000
E. Fidelity Bonding (25% of Contract Amount)	

Subrogation Clause, the Subrecipient and all of its insurers shall, waive all right of recovery or subrogation against the City, its officers, agents or employees and its insurance companies.

Proof that such insurance coverage exists shall be furnished to the City by means of Certificate of Insurance before any award of funding is disbursed and services are commenced. **The said Certificate shall name the City as an additional insured.**

NOTE: These insurance limits and requirements are subject to change at the discretion of the City's Risk Manager.

Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.		
Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes, you are considered a U.S. person if you are: • An individual who is a U.S. citizen or U.S. resident alien, • A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, • An estate (other than a foreign estate), or • A domestic trust (as defined in Regulations section 301.7701-7).

Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
