Councilman Boucher: Mr. Chair, thank you. I just need a little bit of understanding. I've had some calls from mainly just fire personnel about the fire department's raises and, you know, I have not seen it but a lot of people are saying that it's not equating to the thirteen percent. Is there a reason for that, I heard some rumors but I want to hear it from y'all.

CAO Whitehorn: Councilman Boucher the thirteen percent is on the base pay for both police and fire, it is a thirteen percent pay increase. As you recall in some of the public safety meetings, we discussed trying to get the starting salary up to forty thousand for the one-year officer and the thirteen percent did that. So, I think the concern, or the confusion is that they wanted the thirteen percent on top of the two percent longevity. We just certainly weren't going to do that.

Councilman Boucher: Right. I just wanted that to be on record for everybody that's what I thought was going on, but I wanted y'all to be the one to say it as opposed to me. Thank you.

Motion approved by the following vote: Ayes: Councilwoman Taylor, Councilmen Nickelson, Boucher, Jackson, Green and Bowman. 6. Nays: 0. Out of the Chamber: 0. Absent: Councilwoman Fuller. 1. Abstentions: 0.
