Traffic delays expected as Freedom Convoy rolls through Shreveport

A convoy of truckers are expected in Shreveport at approximately 4:00 p.m. The convoy will be entering I-220 from I49. They will travel I-220 east from I-20 east and are expected to slow to the minimum posted speed limit of 40 mph. This could create traffic delays.

Should the convoy be larger than expected, police will close I-220 from the Lakeshore drive exit to the Red River Bridge. That closure would be expected to last 30-45 minutes.

Traffic delays along this route are expected.
