The Department of Property Standards is holding its next sweep in District A on Wednesday, March 9. From 8 a.m. to 4 p.m. citizens can bring trash, debris, and tires for disposal to the David Raines Community Center at 2920 Round Grove Lane.

The Shreveport Police Department will be citing property owners for yard parking and other violations. Inspectors will be concentrated in the Martin Luther King Drive area and will be flagging structures for demolition.
