PRESS RELEASE

December 10, 2013

T-BONE Sweep set for Wednesday in District B

Inspectors for the Department of Property Standards will conduct a sweep tomorrow, Dec. 11, in Council District B as the strategic fight to remove blight throughout the city continues.

Representatives from the police department, public works and animal control will assist in the sweep, which begins at 8 a.m. in the parking lot of Hattie Perry Park, 4300 Ledbetter St. The sweep will encompass an area bounded by Hollywood Avenue to Texas Street and I-49 to Mansfield Road.

Trash bins will be available for residents to discard tires, bulky trash items and debris. If citizens are unable to bring tires to the site, they may arrange a later pick up by calling 673-6204 or 455-6065. The trash bins are for residential use only.

Additionally, basketball goals found in the roadway in front of homes or on neutral ground will be removed during the sweep. Placing basketball goals in these areas violates a city ordinance because they can obstruct the flow of traffic or can otherwise pose a hazard to public safety.
