**Property Standards sweep targets District A**

The Department of Property Standards is holding its next sweep in District A on Wednesday, March 23. From 8 a.m. to 4 p.m. citizens can bring trash, debris, and tires for disposal to the C.C. Antoine Park at 1750 Milam Avenue.

The Shreveport Police Department will be citing property owners for yard parking and other violations. Inspectors will be concentrated in the Allendale area and will be flagging structures for demolition.

The Shreveport-Caddo Metropolitan Planning Commission Zoning Enforcement staff will be checking for businesses operating illegally and other zoning issues.

The next sweep is scheduled for April in the Mooretown neighborhood.
