Police search for man wanted in connection with Mansfield Road homicide

Archille Holmes, Jr.

On February 16, 2022, just after 12:30 p.m., Shreveport Police patrol officers responded to a residence in the 5200 block of Mansfield Road in reference to a shooting. Arriving officers located a man with at least one gunshot injury to the head. The Shreveport Fire Department transported the man to a local hospital where he later died.

Officers detained witnesses and called for investigators. Detectives with the Violent Crimes and Crime Scene Units responded and launched their investigations. CSIU collected evidence, including video and detectives canvassed the neighborhood and interviewed witnesses. They worked into the night and used multiple investigative factors to identify Archille Holmes Jr. (2-6-1995) as the individual they believe responsible for the homicide. Detectives believe that a dispute between the victim and a group of people precipitated the murder. Detectives procured a warrant charging Holmes with one count of Second-Degree Murder. No bond was set.

Police are asking anyone with information as to Holmes's whereabouts to contact the Shreveport Police Department immediately at 318-673-6955. Those wishing to remain anonymous are encouraged to contact Caddo Shreveport Crime Stoppers at 318-673-7373. Crime Stoppers is an anonymous tip service that pays cash rewards to information that leads to the arrest of individuals wanted for committing crimes. Crime Stoppers will pay at least \$2,000.00 for information leading to Holmes's arrest.
