Summer Internship Program Applications Accepted Through Friday

The Future Leaders of Shreveport Summer Internship Program continues to accept applications. Students can apply online at www.shreveportla.gov until 5 p.m. on Friday, April 22.

All candidates must go through the City's application process, including those who wish to work with our local business partners. Interns will work 30 hours a week for 8 weeks from June 6 through July 29.

The program was launched three years ago by Mayor Adrian Perkins and gives high school and college students from Shreveport the opportunity to work in city government and with some area businesses. Local businesses can partner with the city by either hiring interns through the mayor's internship program or by making a monetary donation to support the program.
