I. ANNOUNCEMENT

The City of Shreveport is seeking Statement of Qualifications (SOQ) from experienced, highly qualified consultants to provide a feasibility report that evaluates the grocery store potential and demand in the Martin Luther King (MLK) area of Shreveport, LA. MLK is in Zip Code 71107 in North Shreveport and is bounded on the north by the city limits, which is an east-west extension of Alladin Lane, on the west by Roy Road, on the southwest by I-220 by-pass, and on the east by McCain Creek.

At present, the residents of this area and its immediate contiguous neighborhoods must travel a distance to shop in a quality supermarket that includes a variety of fresh foods. This geographic area is considered a “food desert” today and is in dire need of a full line grocery store. A vacant grocery store in the MLK area provides the opportunity to evaluate the potential for a new food retailer or expansion of existing food retailers in the area.

We believe that the 2030 Master Plan, Census information, and various other studies provide enough evidence to actively move forward on a grocery project in MLK. However, the information must be compiled to validate the demand for a grocery store in the area.
Respondents must be willing to comply with all federal, state, and local regulations and requirements associated with the use of the funds. The Respondent promises that it or any of the parties involved has no interest which would conflict with the performance of services required by this SOQ.

Minority and women-owned firms are encouraged to apply. The City of Shreveport is an Equal Employment Opportunity Commission (EEOC) employer. Minorities, women, other socially disadvantaged groups, and agencies are given the opportunity to demonstrate their ability to provide professional services and to ensure inclusion in the SOQ to the maximum extent feasible.

All responses shall be emailed to Bonnie Moore, Director, Department of Community Development at cdproposals@shreveportla.gov or mailed to PO Box 31109, Shreveport, LA 71130. Please mark “SOQ for MLK Grocery Store Feasibility Report” on the envelope.

II. STATEMENT OF QUALIFICATIONS GUIDELINES

This respondent must adhere to all requirements set forth in the SOQ. SOQs are limited to no more than ten (10) pages, including the cover page. The font size shall be twelve (12) points/Times New Roman.

1.4 Subcontractor Payment Certification

1.4.1 Every contract by the City for the performance of work will contain a provision requiring the prime contractor to certify in writing that all subcontractors and suppliers have been paid for work and materials from previous progress payments received (less any retainage) by the prime contractor prior to receipt of any further progress payments.

1.4.2 In the event a contractor is unable to pay subcontractors or suppliers until it has received a progress payment from the City, the prime contractor shall pay all subcontractors or suppliers funds due, from said progress payments within forty-eight hours of receipt of payment from the City.

1.4.3 During the contract and upon completion of the contract, the City may request documentation to certify payments to subcontractors or suppliers. This provision in no way creates any contractual relationship between any subcontractor and the City or any liability on the City for the contractor’s failure to make timely payment to the subcontractor.

1.5 Fair Share Certified (FSC), S/DBE or DBE PARTICIPATION-GOOD FAITH EFFORT REQUIREMENTS

1.6 PRE-BID EFFORTS REQUIRED REGARDING S/DBEs or DBEs
