Detectives seek to identify suspects in a string of vehicle burglaries

Unidentified Suspects

Shreveport Police Property Crimes investigators are investigating a string of burglaries across the city where the suspects burglarized vehicles at nursing homes, hospitals, and daycare facilities. The suspects forcibly entered the vehicles by breaking windows and took purses and other items from within. Credit cards taken in the burglaries were used to make purchases following the burglaries.

The individuals responsible for these crimes have targeted those that care for our elderly, our children, and those that are sick and suffering. The Shreveport Police Department is asking the public's help to identify them. Those with information can call investigators directly at 318-673-6955 or 318-673-7300 #3. If you wish to submit information anonymously you can do so by reaching out to Caddo Shreveport Crime Stoppers at 318-673-7373 or via their app, P3Tips. Crime Stoppers pays cash for information leading to the arrest of those responsible for committing crimes. Remember Crime Stoppers only wants your information, not your name.
