### Residential Fire – 2700 Block of Sunnybrook Street

Shreveport Fire Department fire crews were dispatched at 9:31PM this evening to the 2700 block of Sunnybrook Street to a reported single-story wood framed residential fire. The first Shreveport fire unit on scene reported heavy smoke visible coming from the front roof of the residence. Firefighters were able to enter the home through the front door to locate and extinguish the fire.

It took the efforts of 12 firefighters—4 fire units, only moments to bring this blaze under control. Both occupants that were home at the time of this incident were able to escape unharmed. All affected occupants have stated to have access to local family for needed resources, but the Red Cross was notified for addition help. The fire cause is still under investigation.

If you or someone you know needs a free smoke detector, please contact the Shreveport Fire Department Fire Prevention Bureau at 318-673-6740. There were no injuries reported to firefighters. ###
