Police ask for public's help to identify wallet thieves

Unidentified Suspects

Shreveport Police are searching for a man and woman who allegedly took a wallet at a west Shreveport business.

On December 11, 2022, just after 5:30 p.m., law enforcement officers responded to reports of a theft at 9550 Mansfield Road. The juvenile victim reportedly entered the store and while he was walking toward the buggy stall, he pulled his hand out of his front shorts pocket and his wallet fell out and onto the rug. He did not know the wallet had fallen and proceeded into the store to shop.

Video surveillance captured a male and female suspect approach the area just after he walked away and the male picked up the wallet, looked inside, then concealed it on his person. The suspects did not turn the wallet in to store management or police. The wallet contained the victim's identification card, and no attempt has been made to return it. The wallet contained an undisclosed amount of cash.

The suspects left in a gold-colored Plymouth van.

Shreveport Police are asking anyone who can help identify these individuals to contact them at 318-673-6955 or 318-673-7300#3. Report number: 22-162141
