Residential Fire – 600 Block of Hendrix Place

Shreveport Fire Department fire crews were dispatched at 7:58PM this evening to the 600 block of Hendrix place to a reported single-story wood framed residential fire. The first Shreveport fire unit on scene reported heavy flames and smoke coming from all sides of the residence. This residence was a total loss. Due to the high heat of this fire, there was an adjacent home that received some fire and heat damage. The occupant of this single-story residence was able to escape this residence as well - unharmed.

It took the efforts of 24 firefighters—8 fire units, several moments to bring this blaze under control. One adult occupied the residence and was able to escape unharmed. The occupant stated to have access to local family for needed resources, but the Red Cross was notified for addition help. The adult occupant in the adjacent home will also reside with local family. SFD Fire Investigators deemed the cause of this incident as undetermined.

If you or someone you know needs a free smoke detector, please contact the Shreveport Fire Department Fire Prevention Bureau at 318-673-6740. There were no injuries reported to firefighters. ###
