School Resource Officer chases after gunman

On April 28th, 2023, a Shreveport Police Officer was working off duty as a school resource officer at Judson Fundamental Elementary School when he heard multiple shots fired. After locking down the school the Officer responded in the direction of the shots fired and observed a Kia SUV speeding away with a male shooting out of an open window.

The resource officer was able to radio for other officers in the area and the vehicle was located at an address in the 3800 block of Milton Street. The vehicle was also found to have been recently stolen. Officers with the Violent Crimes Abatement team were able to arrest Quincy Bogan (12-16-2004) and three juveniles for these offenses.

The firearm was seized by the officers and Bogan was arrested for one count of being in possession of a stolen firearm, three counts of illegal use of a weapon, one count of theft of a firearm, one count of illegal possession of stolen then for the vehicle and one count of simple burglary. No one was injured

Due to the changes in the law that have determined that all of these charges are now non-violent, we are not permitted to release Bogan's mugshot.
