

SCHOOL STARTS SOON – PLEASE SLOW DOWN!

Public schools in Shreveport resume classes on August 9. That means drivers will once again need to be mindful of school zones and SLOW DOWN! Since we started photo-enforced school zones, we have seen an 89% reduction in speeding vehicles on average throughout the city.

The city and its contractor, Blueline Solutions, have been working over the summer to improve the signage in the school zones where camera enforcement occurs so that when school starts, drivers will be warned that school zone speed limits are in effect. To reinforce the message, colorful temporary signage is being placed in the school zones.

The enforcement times will be the same ones in effect at the end of last school year:

Elementary schools - 6:30 AM-8:30 AM and 2:00 PM-4:00 PM

Middle schools - 7:00 AM-9:00 AM and 2:30 PM-4:30 PM

High schools - 7:30 AM-9:30 AM and 2:30 PM-4:30 PM.
