Wine Glass Turns Into Deadly Weapon

On August 8th, 2023, Shreveport Police officers were called to an apartment complex in the 1000 block of Quail Creek Road on reports of a man being stabbed during a dispute. Patrol officers arrived and located a male victim bleeding from the neck. They were also able to detain a suspect. The victim was transported to a local area hospital where he received treatment for the injury and is expected to recover.

Detectives determined that the two men were arguing when Christopher Washington (10-21-86) struck the victim in the neck with a wine glass causing a laceration to the victim. Washington was arrested and charged with one count of aggravated battery.

We are required to state that suspects are innocent until proven guilty.
