It is that time of the year again. We are asking our neighborhoods to join forces to celebrate “National Night Out” against crime. The Shreveport Police Department is excited to participate in this highly successful event.

We are excited to announce that we will be partnering with the City of Shreveport, Community Renewal, the Caddo Parish Sheriff's Office, the Shreveport City Marshal's Office, the Shreveport Fire Department, and the Louisiana State Police for the 2023 Shreveport National Night Out. It will be held on October 3rd, 2023.

Neighbors are encouraged to get to know each other and their local law enforcement officials by registering to host their block party at <https://buff.ly/3KabePm>

Please join us to make this year's Nation Night Out a success.
